Portfolio: tinyurl.com/48zjm7pb

JR. FULL STACK DEVELOPER

Junior full stack web developer and technical writer with a natural drive for problem-solving and efficiency. Seeking to collaborate with engaging teams, solve interesting problems, build my skills, expand my perspective, and add value.

TECHNICAL SKILLS

Languages: JavaScript, NodeJS, SQL, NoSQL, HTML, CSS

Tools: React, Express, Axios, MongoDB, Mongoose, APIs, Bootstrap

Applications: GitHub, Git, Heroku, VS Code, Robo 3T, MySQL Workbench, Insomnia, Microsoft Office

Technical Writing: manuals, reports, science and technology, technical editing

PROJECTS

Neighborhoodly

GitHub: [tinyurl.com/39cc4www](https://github.com/39cc4www)

Deployment: tinyurl.com/tbff6767

Project: A community hub to facilitate and improve communication and connection for my city's mutual aid effort.

My role: Concept, user authentication with Auth0, MVC content, API routes

Tools: MongoDB, Express, JavaScript, NodeJS, React, Auth0, Bootstrap, Heroku, HTML, CSS

Fung-ID

GitHub: [tinyurl.com/2d6baxkp](https://github.com/2d6baxkp)

Deployment: tinyurl.com/nk7ckkah

Project: An application for storing photos and GPS location of foraging finds and keeping track of prime spots.

My role: Concept, Cloudinary image functionality

Tools: JavaScript, Cloudinary, Express, NodeJS, Handlebars, Heroku

Budget Tracker

GitHub: [tinyurl.com/cxp72dkb](https://github.com/cxp72dkb)

Deployment: tinyurl.com/ef9w62cs

Project: A progressive web app designed to track a budget with and without internet connectivity.

My role: Adding back-end API routes and database setup so provided front-end code would function properly.

Tools: Express, MongoDB and Atlas, NoSQL, Mongoose, MVC design, Heroku

EXPERIENCE

Internship, Brookhurst Jr. High, Anaheim, CA

March - May 2020

Revised the student handbook in tone, content, and design to align with campus culture, improve its utility, and appeal more to its intended audience. Reduced the overall page count, saving future resources and printing costs.

Massage Therapy, Soothe, Inc., Orange and Los Angeles Counties, CA

2015 - 2020

Worked with clients to identify their needs and the root causes of their concerns. Helped build an understanding of my assessments and recommendations, then formed and implemented treatment plans. Gained a pool of regular clients who came to depend on my service and expertise and maintained a 4.8/5 rating working through the service.
